MOTHER'S FRIEND!

One of the greatest comforts to those expecting to be confined is a remedy upon which implicit con fidence can be pinced—one that will produce a safe and quick delivery—one that will control pair and shorten the duration of labor. Such is "Tree Morn-en's Furnish." Try it and see what Washington to New York.

A Blessing it is to Suffering Females. This Liniment when used two or three weeks her force confinement, produces a wonderful effect, cataining a very easy and quick latter, with comparatively little pain, and leaves the mother in a condition to recover quickly or in other words to have a good gettingup. Under its take labor will ordinarily occupy much less than the usual time, and the suffering be diminished beyond expression. The condition for which this remedy is othered is of such a character as to forbid a long array of estimates. Those interested in its use are respectfully referred to the hundreds who have used it. READ THE TESTIMONIALS:

I most earnessly entreat every female expecting to be confined to me the "Tur Morrison" Fatern," Coupled with this entresty, I will add that during a large obstetring precise (forty-frame years), I have never known it to fall to produce a safe and quick deliver.
